Subject: Application for the Position of IT Officer (Contract of Service)

Dear Director Narag,

I am writing to apply for the IT Officer position at the Bureau of Trade and Industry Region 02. As a BSIT graduate with skills in ICT systems and web development, I am eager to contribute to your team and grow professionally in this role.

I specialize in web development, creating functional and user-friendly designs. I also have foundational knowledge of networking, including connecting devices and understanding LAN and WAN, and I am capable of handling basic PC and software troubleshooting. Additionally, I am skilled in creating layouts using Canva and Photoshop and possess strong business writing and reporting skills. My communication abilities allow me to collaborate effectively.

I am committed to contributing to the Bureau's mission by optimizing ICT resource management and security, while continuously enhancing my technical expertise to drive organizational success.

Thank you for considering my application.

Yours sincerely,

John Patrick A. Dulin
